About

Memory Care Home Solutions Continuing Education Event

Dear Friend,

Memory Care Home Solutions is excited to announce our Annual Continuing Education Event. Not only is this year's event in person for the first time since the pandemic began, but our organization is celebrating our 20th Anniversary this year. As we prepare to share this experience with leaders like you, **we invite you to join us as an Exhibitor, Sponsor, or advertise with us.** This will be an exciting opportunity to gather with like-minded field experts and passionate members of the community to learn about the groundbreaking work being done in the field of Dementia Care.

The workshop will discuss the benefits of a multidisciplinary approach to maximize functional abilities at each dementia stage and include expert presenters from hospital, home, rehab, and long-term care settings. Learners will gain skills for effective communication strategies as well as a structured and organized approach to identify appropriate interventions across dementia care settings.

Enclosed is information on partnership opportunities. If you can't find an exhibitor, sponsorship, or advertising package that meets your needs, please let us know, and we can help design one perfect for you!

This year's event will be held at Il Monastero on Saint Louis University's campus.

Please complete the enclosed form and return it by March 31, 2023.

In Gratitude,

A handwritten signature in blue ink that reads "Lisa Bacon".
