Guiding Families

Growing Community

The Event

Memory Care Home Solutions (MCHS) has been at the forefront of dementia care for over two decades, providing unparalleled support to families in need. Did you know that 3 out of 5 dementia caregivers believe a care navigator could significantly reduce stress and bring more peace of mind? A staggering 56% say they'd be better caregivers with this support. Our dementia navigation program represents a critical step in meeting the complex needs of families affected by dementia. Your partnership will make a significant impact on the lives of those living with dementia in the most meaningful way.

Join us in **guiding families and growing community** at our annual Memory Care Home Solutions Gala and Auction on Saturday, November 16th, 2024. We'll dine, dance and celebrate our collective impact which improves dignity and quality of life for people living with dementia and family caregivers!

Thank You!
