AN EVENING HONORING
THE JOURNEY OF EVERY
CAREGIVER

The Event

Memory Care Home Solutions (MCHS) ensures that no one has to face dementia alone. When a loved one is diagnosed, families are suddenly thrust into caregiving roles, often unprepared and unsupported. MCHS fills that gap, offering expert guidance and compassionate care at no cost to families.

Our goal this year is to welcome 55 new families each month, in addition to those we are already serving, something only possible with strong support from community partners.

With your partnership, our Dementia Navigators deliver personalized care strategies that empower entire families to manage symptoms, reduce stress, and find strength together. The need is urgent and growing.

Join us at the Memories & Melodies Gala and Auction on Saturday, November 15th, 2025, as we honor the families walking this journey together. Your generosity supports families navigating the challenges of dementia—bringing peace of mind, stability at home, and dignity to all involved.

Thank You!
